First call

00:05–11:12

00:05	**Dr. Beter**	Hello?
00:06	**Dan Holt**	Hello, is this Dr. Beter? This is Dan Holt in Creswell, Oregon. Dan Holt Tape Service.
00:12	**Dr. Beter**	Yes.
00:13	**Dan Holt**	You gave me your phone number.
00:14	**Dr. Beter**	Sure. How are you?
00:16	**Dan Holt**	Just fine.
00:17	**Dr. Beter**	Good. How’s business doing?
00:20	**Dan Holt**	Just fine.
00:21	**Dr. Beter**	Good.
00:21	**Dan Holt**	Uh, not real good. I mean, I think we’ve only got probably about three tapes sold and about six or nine or something like that rented since the last time I heard from you.
00:33	**Dr. Beter**	Yeah, well, people… you’ve got to be a special type of person to hear the truth anymore.
00:38	**Dan Holt**	Yeah, it seems like.
00:39	**Dr. Beter**	Right, right. How’s things out there?
00:41	**Dan Holt**	Oh, pretty good.
00:42	**Dr. Beter**	Weather-wise?
00:44	**Dan Holt**	Well, the weather is all right so far.
00:46	**Dr. Beter**	Uh-huh.
00:47	**Dan Holt**	How is it back there? I think it was about eighty or something like that yesterday.
00:50	**Dr. Beter**	Good Lord. It’s wet and cold here.
00:52	**Dan Holt**	Oh, really?

00:53	**Dr. Beter**	Yeah.
00:54	**Dan Holt**	Huh. Your voice sounds a little different. Did you…?
00:57	**Dr. Beter**	I've been talking on the telephone for about the last hour.
00:59	**Dan Holt**	Oh, is that why?
01:01	**Dr. Beter**	Oh, yeah. These people calling me up, you know.
01:03	**Dan Holt**	Oh, there's a man that called me, or that wrote, and he was just wondering if you wanted your phone number given out, because…
01:09	**Dr. Beter**	No, don't give my telephone number out.
01:11	**Dan Holt**	Then I won't.
01:12	**Dr. Beter**	I've got a sore throat now, and everybody's got a cold here. It's raining and cold and damp.
01:17	**Dan Holt**	Okay, I won't then.
01:18	**Dr. Beter**	It's terrible [unclear] here.
01:20	**Dan Holt**	Okay. Anyway, I'd like to record this, if I could ask you a few questions today, if you wouldn't mind.
01:30	**Dr. Beter**	Oh boy, I just got off the telephone giving an interview. What's this all about?
01:34	**Dan Holt**	Okay, well, I was going to ask you if you knew any more about the explosion there in Russia.
01:41	**Dr. Beter**	Oh, no. Listen, Dan, I don't know any of that stuff anymore because I'm back to my old profession of being a lawyer.
01:51	**Dan Holt**	Oh.
01:52	**Dr. Beter**	And also on economic matters. That's all I'm doing today, Dan.
01:56	**Dan Holt**	Okay.
01:56	**Dr. Beter**	I mean, all my contacts now, all they're doing is giving me economic intelligence.
02:04	**Dan Holt**	Oh, I see. Just about the economic situation is all?
02:08	**Dr. Beter**	That's right. That's all I talk about now.
02:10	**Dan Holt**	Oh, okay.
02:11	**Dr. Beter**	Because I just don't have time, you know, to do anything else. I've got to make a living, son.
02:17	**Dan Holt**	Yeah. Well, that's true. Everybody has to do that.
02:19	**Dr. Beter**	I've got three children and a good wife.
02:22	**Dan Holt**	Yeah.

02:23	**Dr. Beter**	So I've got to do that. I've expended ten years of my life and capital in trying to inform the American people. And they just, you know, they've got their own troubles.
02:34	**Dan Holt**	Well, some of them do, but there's some that are still interested.
02:37	**Dr. Beter**	Oh, I know. I can tell by my letters I'm getting.
02:39	**Dan Holt**	Yeah, I'm just wondering if, you know…
02:41	**Dr. Beter**	Don't you read the Wisconsin Report?
02:44	**Dan Holt**	No, I just read that one article.
02:46	**Dr. Beter**	Well, I publish an article every month in there.
02:49	**Dan Holt**	Oh, you can subscribe to it then, huh?
02:52	**Dr. Beter**	Well, it's only about ten dollars a year.
02:54	**Dan Holt**	Oh, okay. I didn't know. I thought they just ran that one article.
02:58	**Dr. Beter**	No, they run one every month. And in the meantime they're using… they transcribe my radio programs that I had in the past.
03:09	**Dan Holt**	Oh, I didn't know you had… Okay.
03:11	**Dr. Beter**	You'd better write the Wisconsin Report, Dan.
03:15	**Dan Holt**	Oh, I've got a couple of recordings of California radio reports that were given way back about the Rockefellers.
03:22	**Dr. Beter**	Well, that's what they're doing. They're transcribing all these old tapes of mine, these broadcast tapes.
03:29	**Dan Holt**	Oh, okay.
03:30	**Dr. Beter**	And they're getting hundreds of scripts all over the country.
03:34	**Dan Holt**	Oh, for the newspaper?
03:36	**Dr. Beter**	Sure.
03:37	**Dan Holt**	Oh, okay. All right.
03:39	**Dr. Beter**	And then she sells the transcripts of the Audio Letters, of the past Audio Letters.
03:44	**Dan Holt**	I see. Okay.
03:46	**Dr. Beter**	You should get in touch with her, Dan.
03:48	**Dan Holt**	Well, I guess so. I've still got the newspaper. I can get the address off there.
03:51	**Dr. Beter**	Yeah, Post Office Box 45.
03:54	**Dan Holt**	Post Office Box 45.
03:56	**Dr. Beter**	Yeah, Brookfield, Wisconsin. Five-three-oh-five, something like that. Five-three-oh-five, something like that.

04:05	**Dan Holt**	Five-three-oh-five, yeah. Okay, well, I can look at that.
04:10	**Dr. Beter**	[Unclear], Dan. Yeah, it's five-three-oh-[unclear], Brookfield, Wisconsin.
04:24	**Dan Holt**	Okay.
04:25	**Dr. Beter**	And just put down Virginia Meves. M-E-V-E-S. And now…
04:29	**Dan Holt**	Virginia what?
04:31	**Dr. Beter**	M-E-V-E-S. Meves.
04:33	**Dan Holt**	Virginia Meves.
04:35	**Dr. Beter**	She's the publisher.
04:37	**Dan Holt**	Oh.
04:38	**Dr. Beter**	And tell her you want some past copies, because she's running now an interview that I had with [name unclear] Bentley down in Charleston, West Virginia.
04:46	**Dan Holt**	Okay. How long have they been running your…?
04:48	**Dr. Beter**	Oh, for God's sakes, ever since I stopped the Audio Letter.
04:51	**Dan Holt**	Oh. Almost ever since back then?
04:54	**Dr. Beter**	Oh, yeah. She's been taking these recordings, you know, that people have recorded. Some of the women said they've got them, men have them, where I was interviewed on radio stations all over the country.
05:06	**Dan Holt**	Yeah, I've got two of them from the California radio stations down here.
05:11	**Dr. Beter**	Well, make a deal with Virginia Meves. She may pay you for them.
05:14	**Dan Holt**	Oh, okay. Also, I was just wondering, there's several people still really interested in any kind of information they can get. I was just wondering, do you know of anyone that could give even low intelligence information on just some of the things that are taking place right now? Like space shuttles and, well, like the Rajneesh [unclear] and things like that?
05:39	**Dr. Beter**	I wish I could tell you, Dan, but I'm completely out of that.
05:43	**Dan Holt**	I mean, is there anyone you know that might, that doesn't want a lot of money, that could… just interested in, you know, in the American people?
05:51	**Dr. Beter**	Yeah, I don't know of anyone. And all my contacts have been hushed up right now…
05:59	**Dan Holt**	Oh.
06:00	**Dr. Beter**	…on national security stuff, because I was given too much truth.

06:06	**Dan Holt**	Yeah, weren’t you saying they had that new, uh, royal security…?
06:11	**Dr. Beter**	Mm-hmm.
06:13	**Dan Holt**	Well, anyway, where they didn’t get out any information…
06:17	**Dr. Beter**	That’s right.
06:17	**Dan Holt**	Just a few people, that’s all.
06:19	**Dr. Beter**	That’s exactly right. I mean, I’ve told everybody what is going on. Those tapes are just as new today. Well, I think I’m five, six years still ahead on some of them.
06:29	**Dan Holt**	Oh, yeah. There’s still things that haven’t come out in the news yet.
06:32	**Dr. Beter**	Oh, yeah, Dan.
06:33	**Dan Holt**	Also, did you ever have any kind of pictures or any kind of information on the synthetic automatons or robots?
06:41	**Dr. Beter**	Yes, we had plenty of evidence. I wouldn’t have put them in the tapes [unclear]. They’ve all been returned. They let me view them.
06:49	**Dan Holt**	Oh, but you don’t have anything right now?
06:51	**Dr. Beter**	Not now. I turned them back in.
06:53	**Dan Holt**	Oh.
06:54	**Dr. Beter**	I had to give up all that stuff.
06:55	**Dan Holt**	Oh.
06:56	**Dr. Beter**	Hey, listen, you want me to live, don’t you?
06:59	**Dan Holt**	Yeah.
07:00	**Dr. Beter**	Well, I mean, I came close to death.
07:04	**Dan Holt**	Yeah, I realize that. Everybody probably that’s in that, you know, giving out information…
07:10	**Dr. Beter**	Yeah. If they could have bought up all the tapes that everybody had, they would do it. But since they’re just like feathers in the wind, they can’t get them back. So what they’ll do is just, they’ll just deny everything that’s on there.
07:24	**Dan Holt**	Oh. What’d they do, just threaten you?
07:26	**Dr. Beter**	Sure.
07:28	**Dan Holt**	Oh.
07:28	**Dr. Beter**	My three kids.
07:30	**Dan Holt**	Hmm. Oh, I see.
07:36	**Dr. Beter**	But that’s over with now, you see.

07:39	**Dan Holt**	Yeah. I wish we could find some kind of information, though. You can’t remember any more about the automatons besides what you told, can you?
07:47	**Dr. Beter**	No.
07:47	**Dan Holt**	You said they’re made out of, like, cow… they’d take parts of cows or something and…
07:53	**Dr. Beter**	No, they don’t even do that anymore.
07:55	**Dan Holt**	Oh, really?
07:56	**Dr. Beter**	They’re so far ahead.
07:56	**Dan Holt**	Well, are they making them just out of synthetic material now?
07:59	**Dr. Beter**	Yeah.
08:00	**Dan Holt**	And no cow parts at all?
08:02	**Dr. Beter**	No, no more. That's all the old stuff.
08:03	**Dan Holt**	That was all the original?
08:04	**Dr. Beter**	That was the old stuff.
08:06	**Dan Holt**	I notice when you look at Reagan, you can see the wrinkles on his face change every once in a while. He'll have wrinkles in one place one time, and then a few months later they'll be in a different place.
08:17	**Dr. Beter**	There's a lot of people walking around.
08:20	**Dan Holt**	Is Mondale and Ferraro both automatons?
08:23	**Dr. Beter**	I don't know, really.
08:24	**Dan Holt**	You don't know?
08:25	**Dr. Beter**	I really don't know. I mean, it's been two or three years now since I was giving that stuff out. I was walking on dangerous ground, brother.
08:32	**Dan Holt**	Yeah. I wouldn't mind taking that spot if, you know, if I could find somebody that had information.
08:41	**Dr. Beter**	Yeah, but they're all closed down. See, they were in the government.
08:46	**Dan Holt**	There's nobody even that, you know, like the janitor, somebody that'd just have, you know, just a few things?
08:51	**Dr. Beter**	Oh, no way, Dan. No way. It's all closed down.
08:54	**Dan Holt**	Huh. I didn't realize it.
08:56	**Dr. Beter**	We agreed to that.
08:58	**Dan Holt**	Oh.

08:58	**Dr. Beter**	We had to.
09:00	**Dan Holt**	Hmm.
09:01	**Dr. Beter**	They said, “Thank God you just weren't heard all over the world.”
09:05	**Dan Holt**	Hmm.
09:06	**Dr. Beter**	They just ridiculed me. You know, they would ridicule you. That's the worst thing in the world.
09:11	**Dan Holt**	Well, not really. There's—I mean, there's worse things than that. Everybody that I know of that's telling what's going on in the conspiracy, they ridicule them.
09:25	**Dr. Beter**	Right.
09:26	**Dan Holt**	In the news media all the time they're telling people all kinds of things bad about them and saying that they're not telling the truth and stuff.
09:34	**Dr. Beter**	Right. Well, Dan, my voice is just about ready to go out on me.
09:37	**Dan Holt**	Okay.
09:38	**Dr. Beter**	I've been on this damn interview for an hour now. If you've been trying to get me, you know my line's been busy.
09:43	**Dan Holt**	I just tried one time.
09:44	**Dr. Beter**	Oh, God. It's been going terribly.
09:46	**Dan Holt**	Oh. I just wanted to ask—I just wanted to ask you one more question.
09:50	**Dr. Beter**	Sure.
09:51	**Dan Holt**	In Jack Chick's magazine, Double-Cross, he said—
09:54	**Dr. Beter**	Who?
09:55	**Dan Holt**	Jack Chick.
09:57	**Dr. Beter**	Jack. Oh, yeah.
09:58	**Dan Holt**	On Double-Cross he said that you were Roman Catholic. Is that right?
10:02	**Dr. Beter**	Yes.
10:03	**Dan Holt**	Oh, okay.
10:04	**Dr. Beter**	A Maronite.
10:05	**Dan Holt**	A Maronite? What's that?
10:07	**Dr. Beter**	It's Lebanese. You know, in Lebanon we have a Maronite church. Part of the Eastern rite of the Catholic Church.
10:14	**Dan Holt**	Is that part of the mainline Roman Catholic?

10:18	**Dr. Beter**	Well, it's part of the Catholic Church. We're not part of the Roman Catholic Church.
10:22	**Dan Holt**	Oh, I see. But not the Roman—
10:24	**Dr. Beter**	No, we're the Eastern rite of the Catholic Church.
10:29	**Dan Holt**	Okay, 'cause the—
10:30	**Dr. Beter**	Well, we're older than the Catholic Church.
10:32	**Dan Holt**	The Roman Catholic is the one spoken of in Revelation 17, you know, that sits on seven hills and controls everybody.
10:41	**Dr. Beter**	Yeah, no, we're older than that.
10:43	**Dan Holt**	Okay, well...
10:45	**Dr. Beter**	We're Maronites, you know.
10:46	**Dan Holt**	Okay.
10:47	**Dr. Beter**	It's not Roman Catholic. We're just affiliated with the Catholic Church, you see.
10:55	**Dan Holt**	All right. That's what I needed to clear up. I think that's most of the questions I've had, anyway. Okay, I better give your voice a rest.
11:03	**Dr. Beter**	Oh, I'm sorry.
11:04	**Dan Holt**	Thanks a lot for—
11:05	**Dr. Beter**	Yeah, and call me some other time.
11:07	**Dan Holt**	Okay.
11:08	**Dr. Beter**	And good luck, old buddy.
11:09	**Dan Holt**	Okay. Thank you very much.
11:11	**Dr. Beter**	Bye-bye now.

Second call

11:42–19:59

11:42	**Dr. Beter**	Hello?
11:43	**Dan Holt**	Hello, Dr. Beter?
11:44	**Dr. Beter**	[unclear]
11:45	**Dan Holt**	This is the Dan Holt Tape Service in Creswell, Oregon, again. I haven't called you for quite a while. I thought I'd give you a call and see what was happening, if anything.
11:54	**Dr. Beter**	I can't hear you.
11:55	**Dan Holt**	This is Dan Holt Tape Service, you know, in Creswell, Oregon.
11:58	**Dr. Beter**	Oh, yes. Yeah, I didn't hear you.
12:00	**Dan Holt**	Oh, okay. I was just wondering, how are you getting along? I haven't heard from you for quite a while.
12:06	**Dr. Beter**	Well, gosh, I think I sent you a letter some time ago.
12:09	**Dan Holt**	Yeah. I haven't had a lot of tape business here lately, but I did have a couple of calls the other day. People were wondering about you, if you're still alive or whatever.
12:20	**Dr. Beter**	Sure.
12:21	**Dan Holt**	There's Robert Dean, and he has a talk show there in Toronto, Ontario.
12:27	**Dr. Beter**	Robert Dean?
12:28	**Dan Holt**	Yeah. He says he's called you before.
12:30	**Dr. Beter**	He has?
12:31	**Dan Holt**	Yeah. I guess he's asked if you'd be on a talk program before, but he was just wondering if you had any current information or anything like that. And also, he mentioned there's a Mae Brussell in Los Angeles and a Sherman Skolnick that has kind of a little bit of what you used to do, only not as much information as what you used to have.
12:56	**Dr. Beter**	Yes.
12:58	**Dan Holt**	Anyway, he was wondering if he could get ahold of you, and I gave him your address. You [unclear] mention you didn't want your phone number given out, so…
13:05	**Dr. Beter**	Who are you talking about now, Dan?
13:08	**Dan Holt**	This Robert Dean.
13:10	**Dr. Beter**	Where is he located?
13:11	**Dan Holt**	In Toronto, Ontario.

13:14	**Dr. Beter**	Well, he's never called me that I know of.
13:16	**Dan Holt**	Well, it's been years ago. Also, there's a man named Sal Princiotta that works for the Alan Stang Report, and he was wondering if you could give some information on investment advice. I guess he has, like, a gold coin and that kind of business, you know.
13:38	**Dr. Beter**	Where is he located, Dan?
13:39	**Dan Holt**	In Redondo Beach, California.
13:42	**Dr. Beter**	Uh-huh. Well, I've never heard that he's called me. I mean, [unclear] never said so. You know, I've been mostly abroad.
13:49	**Dan Holt**	Yeah. You just got back, huh?
13:52	**Dr. Beter**	Well, I'm just going back again Tuesday.
13:54	**Dan Holt**	There in Lebanon?
13:55	**Dr. Beter**	Oh, no, I'm going to Europe, you know. I [unclear] private hospitals.
14:02	**Dan Holt**	Oh, I see.
14:03	**Dr. Beter**	And also in England, you see.
14:05	**Dan Holt**	Uh-huh.
14:06	**Dr. Beter**	And I work on gold deals and things like that.
14:11	**Dan Holt**	Oh.
14:12	**Dr. Beter**	I mean, I still get my inside information, Dan, you know.
14:17	**Dan Holt**	Oh, on the financial thing, huh?
14:20	**Dr. Beter**	Oh, on everything, you know.
14:22	**Dan Holt**	Oh, really?
14:22	**Dr. Beter**	Yeah, but I don't do anything. All I do is write little notes for Virginia Meves, you know, for the Wisconsin Report.
14:29	**Dan Holt**	I see. And you don't—you don't give out anything else, huh?
14:33	**Dr. Beter**	No, no. Although I do have select clients, you know. I charge them a fee for getting the information on investments and everything like that, Dan.
14:43	**Dan Holt**	I see. Okay.
14:45	**Dr. Beter**	But I haven't heard of these people. And Mae Brussell, she's still in business, huh?
14:49	**Dan Holt**	Yeah, evidently she is. You've heard of her, huh?
14:51	**Dr. Beter**	Oh, yeah, a long time ago.
14:53	**Dan Holt**	Uh-huh.
14:55	**Dr. Beter**	And what about this other fellow you were talking about?

14:58	**Dan Holt**	Well, he has a talk program. He says his listeners were quite interested. I guess he's played your tapes over the radio there in Toronto before.
15:09	**Dr. Beter**	Two years ago?
15:11	**Dan Holt**	Well, I think even recently. And he has people that were kind of wondering about you, whether you're still alive or what had happened to you.
15:20	**Dr. Beter**	Well, after five heart attacks, you know, Dan…
15:23	**Dan Holt**	Yeah.
15:24	**Dr. Beter**	It takes a lot out of you.
15:26	**Dan Holt**	I bet it does. Most people don't live through that many.
15:29	**Dr. Beter**	Well, I think the good Lord was intending me to stay alive.
15:33	**Dan Holt**	Keep you around for something, all right.
15:35	**Dr. Beter**	No, the last one, you know, I died.
15:38	**Dan Holt**	Did you, really?
15:39	**Dr. Beter**	Oh, yeah. Clinically I died, and then I came back to life about [unclear] minutes, four minutes later.
15:46	**Dan Holt**	Can you remember what happened, or do you have any recollection of that time?
15:50	**Dr. Beter**	Oh, yeah. My body—or whatever it was—was right out of my body.
15:56	**Dan Holt**	Huh. Everybody that's happened to says it's always real peaceful at that time.
16:00	**Dr. Beter**	Well, it is. Very peaceful.
16:04	**Dan Holt**	Well, that’s something, isn’t it?
16:05	**Dr. Beter**	Yeah. I died on the way to the hospital, and I went right out of the car.
16:11	**Dan Holt**	Oh, up above a ways, huh?
16:13	**Dr. Beter**	That’s right. Went right through the window.
16:15	**Dan Holt**	My, isn’t that something?
16:16	**Dr. Beter**	That was quite an experience.
16:18	**Dan Holt**	Yeah.
16:18	**Dr. Beter**	And it was very peaceful and everything.
16:21	**Dan Holt**	I’ve heard of other people saying that. I just never talked to anybody that had.
16:26	**Dr. Beter**	Oh, yes. Everything goes black, you’re dead, and then all of a sudden you start floating…

16:31	**Dan Holt**	Huh.
16:31	**Dr. Beter**	…to a bright light.
16:33	**Dan Holt**	Well, that's really something.
16:35	**Dr. Beter**	Sure. Isn't that something?
16:36	**Dan Holt**	Yes.
16:37	**Dr. Beter**	Well, that actually happened, Dan. How's the tapes going along? Are you selling any, renting any?
16:42	**Dan Holt**	Oh, kind of slow here lately.
16:45	**Dr. Beter**	Well, you always find that out around the holiday season.
16:47	**Dan Holt**	Maybe so.
16:48	**Dr. Beter**	Are you doing any advertising?
16:51	**Dan Holt**	No. Well, I've done what I could. I put a little bit on the radio and different things. Although the man that runs the radio station, well, he says he doesn't want, you know, some of the information I've been giving. He says he doesn't want that to go out over his radio station. I guess maybe he was getting in hot water over it or something.
17:13	**Dr. Beter**	Oh, yeah. Well, the truth will always get you in hot water, you know.
17:18	**Dan Holt**	Yeah, I guess so. Somebody must have been pressuring him, [unclear]. He didn't want anything.
17:24	**Dr. Beter**	Oh, that's good. Well, you know, every time you want to come here in the summertime, we're always away at Cape Cod, you know.
17:32	**Dan Holt**	Oh, okay. Well—
17:33	**Dr. Beter**	But let me know if you come by.
17:35	**Dan Holt**	Okay. We still want to come out there, Lord willing, if we can, but I don't, I don't know. It just depends on when we can get everything tied up here long enough so we can get away for a while.
17:46	**Dr. Beter**	Right. Well, have that guy in Toronto call me if he's interested. I've never—I haven't had time, nor the [unclear]. And now I feel much better. I may be back into the fray, you know.
17:58	**Dan Holt**	Well, that'd be real good if you were. You want me to go ahead and give him your phone number then?
18:03	**Dr. Beter**	Yeah.
18:03	**Dan Holt**	Okay. And how about this other man, Sal Princiotta?
18:09	**Dr. Beter**	I'll talk to him, too, you know.

18:11	**Dan Holt**	Okay. All right. I just wanted to know before I gave him your number what you thought.
18:15	**Dr. Beter**	Well, I can use the money, too.
18:17	**Dan Holt**	Okay. That's fine, then.
18:19	**Dr. Beter**	Oh, sure.
18:19	**Dan Holt**	There was—one of the listeners here was asking if you'd heard, if you knew anything about when a depression might come or anything like that, on the… if the banks are still going to be open for a while, or do you know?
18:34	**Dr. Beter**	Yes.
18:34	**Dan Holt**	You think they will be?
18:36	**Dr. Beter**	Well, I give my opinion to, you know, the guys who pay me very well.
18:41	**Dan Holt**	Okay. I'll just give your number to this other man, then let him get a hold of you.
18:46	**Dr. Beter**	Right. Maybe we can make some change.
18:47	**Dan Holt**	Okay.
18:48	**Dr. Beter**	You can get a referral fee.
18:50	**Dan Holt**	Well, I don't really care about that so much. I just—
18:53	**Dr. Beter**	Well, you've got to pay your bills, don't you?
18:54	**Dan Holt**	Oh, yeah, but I usually make enough just from a regular job. I kind of do this just for, you know, something to do, to kind of help people out.
19:03	**Dr. Beter**	Right. Well, when I lost the Audio Letter, I lost most of my capital, you know.
19:08	**Dan Holt**	Yeah. Yeah, there isn't a lot going on right there right now. Okay.
19:13	**Dr. Beter**	Right.
19:14	**Dan Holt**	All right. Well, I'll go ahead and give these people your phone number then, and if I can I'll try to get out that way sometime, the Lord willing, anyway.
19:22	**Dr. Beter**	Okay, Dan. How's the weather there?
19:25	**Dan Holt**	Oh, just kind of rainy here today.
19:27	**Dr. Beter**	I thought you were having snow.
19:29	**Dan Holt**	Yeah, we had snow at the end of November, which I can't remember snow being that early here.
19:35	**Dr. Beter**	I know. I know.

19:36	**Dan Holt**	It’s always usually been around January or February. Maybe we have maybe an inch, and that’s about all.
19:41	**Dr. Beter**	Right. It was unusual, wasn’t it?
19:43	**Dan Holt**	Yeah.
19:44	**Dr. Beter**	A lot of strange things going on.
19:46	**Dan Holt**	Yeah, it sure is.
19:47	**Dr. Beter**	Okay, Dan.
19:48	**Dan Holt**	Okay. Well, I’ll let you go then.
19:50	**Dr. Beter**	Okay. Thanks a lot for calling.
19:52	**Dan Holt**	Okay. Bye.
19:53	**Dr. Beter**	[Unclear] go back to bed now.
19:54	**Dan Holt**	It is a little early.
19:56	**Dr. Beter**	Okay.
19:57	**Dan Holt**	Okay. Bye.
19:57	**Dr. Beter**	God love you.
